STANDALONE
Single Door Controller

SPECIFICATION	S-AC20
LCD screen	2.8 inch TFT High-defination color display
Fingerprint scanner	high hardness optical fingerprint collection device
Authentication method	Fingerprints,rfid card password any combination
Language	English, chinese (simplified and traditional chinese
FRR	≤1%
FAR	0.00%
Identification time	0.8s
Authentication mode	1:N,1:1
Identification mode	Fingerprint, code, Id Card, IC Card
Fingerprint capacity	1024
Record capacity	60000
Communication	USB, TCP/IP, RS485, Wifi
U-disk download/upload function	Yes
Excel report	Yes
Real-time transmission	Yes
Record query	Yes
Weigand input	WG26/34
Voice prompt	High-defination Pronunciation
Operation humidity	20-80%
Operation temperature	10-60°
Power adapter	DC12V
